

# robo expo!

## Requirements for Exhibiting

Each school will be provided with a large table to present their exhibition projects. Each table will be labeled with a school name. You are welcome to make additional posters to advertise your school's space at Robo Expo.

Students may exhibit any robot that they have created. For each project, the student must make a poster with the following information:

Student name

School

Grade

Description of the robot and what the robot does

Print out of the programming code
